To all:

After 10 years of being the President of the Long Island Rebels, I have decided that the time has come for me to step down.

It has been a great ride. We have come a long way in these 10 years to become the finest organization around.

I wish to thank all of those who have helped in so many different ways and to say that the Rebels would not have become this great organization without your tireless efforts.

Rich Righi will become the new President and I wish him the best of luck. I will be hanging around long enough to help transition the Rebels over to him.

See you at the rink.

Jerry Sullivan
