# Apply for the **Bouchard Family Scholarship**

Peconic Hockey Foundation (PHF) and the Bouchard Family are committed to increasing the opportunity for athletes to participate in youth ice hockey. The scholarship program has been designed to help ease the financial obligations of playing. **PHF is growing the game!**

## **Education • Commitment • Dedication • Perseverance**

The scholarship is named for the Bouchard Family, who is currently the fifth generation to manage Bouchard Transportation Co., Inc., the largest privately owned ocean-going petroleum barge company in the United States. The Bouchards are no strangers to hard work and dedication in all aspects of life, and have a passion for supporting education and youth athletics. While Mr. Mort Bouchard III and his son, Brendan Bouchard, have always been a fan of ice hockey, their sport of choice growing up was lacrosse. In 1976, as a high school lacrosse player, Mr. Bouchard was the first high school All-American at Half Hollow Hills School District. Following his graduation, he played varsity lacrosse for four years at Ohio Wesleyan University. Following in his father's footsteps, Brendan Bouchard earned All-Conference honors for lacrosse at Cold Spring Harbor High School, and moved on to play varsity lacrosse at Ohio Wesleyan University, where he earned NCAC (North Coast Athletic Conference) honors, and an All-American honor during his senior year in 2015.

**Peconic Hockey Foundation looks for scholarship recipients who embody the Bouchard family philosophy of education, commitment, dedication, safety and perseverance.**
